

Planning Grant Meeting January 8, 2018 at Eastgate Regional Council of Governments

Planning Grant committee – One Representative from ODOT, Mahoning County Commissioners, Trumbull County Commissioners, and the cities of Youngstown and Warren.

Questions and Answers and other items of importance from the meeting:

- Additional information requested in the full application
 - Discuss what efforts have been done to date
 - Anticipated schedule along with other funding source commitments
 - Support resolution from the local entity, does the government officials support the concept and/or the financial contribution shown on the application.
- A minimum of 10% local match is required, this can be in-kind work.
- It is your option to hire a consultant or not, it's how you can best accomplish the work.
- If a Township is proposing work on a State Route a letter from ODOT would be required.
- Eastgate can provide data if what is requested is what we normally collect and have. If additional data is required please ask and we will get what we can together. *You may want to request if this information can be provided prior to putting your cost estimate together.*
- Eastgate will also provide maps and other assistance of work types we usually perform. *You may want to request if what you require can be provided prior to putting your cost estimate together.*
- A plan can that be implemented with time lines (phasing) and possible funding sources identified.
- This is a reimbursable grant.
