### **What is Eastgate?**

Eastgate provides a regional forum to discuss issues of mutual interest and concern, and to develop recommendations and plans to address those issues. All of this in hopes of leading to a common goal of improving the quality of life for the residents of Northeast Ohio.

Eastgate administers programs related to economic development, environmental planning, and infrastructure. Eastgate provides comprehensive planning services to its members.

### **What is the Citizens Advisory Board ?**

The CAB provides a continuous forum for the public to participate in the regional planning and decision-making process. The CAB meets on the first Thursday of the month (except August) to learn about and discuss community topics including legislation, infrastructure projects, and quality of life in the Mahoning Valley.
