N* C* - Notes non-construction and or construction project.

Project Description

- 1 This project will purchase equipment for the diagnosis and treatment of neurology, neurosurgery, pain management to reduced dependence on opioid drugs. This project will improve access to high quality healthcare in bringing 3-specialty physicians to the District, treat 1,000 patients per year and create 15 high wage positions in the medical field with a \$10,000,000 private investment.
- 2* This project will construct 5,300 ft of fiber optic cable to bring broadband service to the Ashtabula County Airport Authority to improve infrastructure and economic development. The project will provide opportunity for tele-med health service and workstation public access.
- 3* This project will enhance public infrastructure with the construction of a 5,354 linear feet of sanitary sewer improvements in Hubbard Township in a low-to-moderate (LMI) income area under a connect decree serving 59 households.
- 4 This project will construct sanitary sewer improvements in West Farmington to enhance public infrastructure and improve economic development. The project will construct 19,100 LF- gravity sewer collection system, 3-lift stations, 1-wastewater treatment plant serving 207-households, 17-commercial business with an anticipated 5-jobs created and 8-jobs retained.

- 5* This project will construct a \$250,000 gallon water tower in a JEDD with Harpersfield Township and the City of Geneva serving 150 residences and businesses. The project will make critical investments in infrastructure and support economic development.
- 6* This project will support economic development with infrastructure improvements to a 15,000 sq. ft industrial facility in a former brownfield area securing two new businesses in an industrial park with an anticipated 30 new manufacturing jobs created.
- 7* This project will enhance public infrastructure with the construction of a sanitary sewer improvement in the Village of Geneva in a low-to-moderate (LMI) income area serving 97-households, 1-trailer park, 1-campground, and 7-businesses.
- 8 This project will purchase equipment to promote economic development and support entrepreneurial users in a shared use commercial kitchen incubator.
- 9 This project will support workforce development with the establishment of a CDCA counseling program to address the opioid counseling shortage crisis. The project will serve 7-counseling centers and create 5 jobs.
- 10 This project will purchase equipment to improve access to internet service in the City of Youngstown
- 11 This project will support workforce development with the creation of a curriculum to teach students fundamental investment principals serving 10-interns, 30-student lead investment events, 100 companies vetted and 150-students served.
- 12 This project will support programs for the education of youth in the City of Youngstown.
- 13 This project will support workforce development with scholarships in the fields of nursing , welding and commercial driver's licenses.

Access Road Projects

- 1A This project was approved in FY19 and scheduled for FY22 ARC access road funding. With the increased State Appalachian funding available in FY20 this project was moved forward to begin construction in FY20. The project will support economic development and improve transportation infrastructure with the construction of a 2,021 LF access road in Howland Township on Phoenix Road serving at least 7-local businesses and manufacturers. It is anticipated the project will create 34 jobs with 275 jobs retained supporting a \$2,500,000 in private investment by the local businesses.

LDD Project Scoring Criteria Consideration:

Project score	Local commitment letters of project support
* County Commissioner priority	Basic Agency secured.
Adjusted grant request	Fit ARC Goals and current focus
Variety of projects - water/sewer, hospital, education, green energy	Multiple funding sources utilized
Funding committed	All attachments provided
Agency received funding in the past	Job Creation/Retention
County (preference to funding 1-application form each county pending qualifying applications received)	

RESOLUTION
OF THE EASTGATE REGIONAL COUNCIL OF GOVERNMENTS APPROVING
ADOPTION OF ESTABLISHED STATEWIDE TARGETS FOR SAFETY
PERFORMANCE MANAGEMENT MEASURES

WHEREAS, the Eastgate Regional Council of Governments is the Metropolitan Planning Organization (MPO) for transportation planning in the Youngstown Metropolitan Area which include in its study area Mahoning and Trumbull Counties, Ohio; and

WHEREAS, per Federal Rule 23 CFR 490 States and Metropolitan Planning Organizations are required to establish targets for five safety performance measures applicable to all public roads, as the number of fatalities, number of serious injuries, fatality rate, serious injury rate, and number of non-motorized fatalities and serious injuries; and

WHEREAS, the performance measures are being required to foster transparency and accountability, and help track safety progress at regional, state, and national levels; and

WHEREAS, the Ohio Department of Transportation has established a statewide 2% annual reduction target across all five performance measures; and

WHEREAS, Metropolitan Planning Organizations must establish targets for their respective areas within 180 days of the State's establishment of targets; and

WHEREAS, the Eastgate Regional Council of Governments has analyzed and determined that it will support the established Ohio Department of Transportation's statewide safety targets; and

WHEREAS, the Eastgate Regional Council of Governments agrees to plan and program projects so that they contribute toward the accomplishment of the Ohio Department of Transportation safety target for that performance measure;

NOW, THEREFORE, BE IT RESOLVED that the General Policy Board of the Eastgate Regional Council of Governments, State of Ohio, hereby approves supporting the Ohio Department of Transportation's statewide 2% annual reduction target for all five safety performance measures and agrees to plan and program projects so that they contribute toward the accomplishment of the Ohio Department of Transportation's safety target for that performance measure.

Passed this 28th day of October, 2019.

RESOLUTION
APPROVING THE FY2019 UNIFIED PLANNING WORK PROGRAM PROGRESS
REPORT OF THE EASTGATE REGIONAL COUNCIL OF GOVERNMENTS

WHEREAS, the Eastgate Regional Council of Governments (Eastgate) is the designated Metropolitan Planning Organization (MPO) responsible for transportation planning in the Youngstown Metropolitan Area which include in its study area Mahoning and Trumbull Counties; and

WHEREAS, Eastgate as the MPO maintains a Transportation Planning Agreement with the Ohio Department of Transportation; and

WHEREAS, Eastgate has the responsibility for carrying out Continuing, Comprehensive and Cooperative (3-C) Transportation Planning Processes on an annual basis through its Unified Planning Work Program (UPWP); and

WHEREAS, the UPWP annually develops and documents Eastgate's planning objectives, work strategies, and the financial and functional responsibilities of all participating agencies and transportation staff; and

WHEREAS, the UPWP is prepared in conformance with joint regulations, Part 450, Planning Assistance and Standards, of the Federal Highway Administration and the Federal Transit Administration and is consistent with local, state, and federal objectives and policies; and

WHEREAS, the attached FY2019 UPWP Completion Report Summary Highlights were presented and reviewed by Eastgate's Technical Advisory Committee and Citizen Advisory Board on October 3, 2019.

NOW, THEREFORE, BE IT RESOLVED that the General Policy Board of the Eastgate Regional Council of Governments, State of Ohio, hereby approves the FY2019 Unified Planning Work Program Progress Report.
