

RESOLUTION

TO MODIFY THE BROOKFIELD 201 FACILITY PLANNING AREA (201 FPA) IN ACCORDANCE WITH THE AREAWIDE WATER QUALITY MANAGEMENT PLAN (AWQMP) AND SECTION 208 OF THE CLEAN WATER ACT

WHEREAS, Eastgate Regional Council of Governments (Eastgate) is the Designated Water Quality Management Agency for the Youngstown-Warren Standard Metropolitan Statistical Area consisting of Mahoning and Trumbull Counties; and

WHEREAS, the Trumbull County Sanitary Engineering Department is requesting a modification to the Brookfield 201 FPA to remove an area along the Ohio/Pennsylvania in west Brookfield township from the Brookfield 201 FPA; and

WHEREAS, the Trumbull County Sanitary Engineering Department is the designated primary management agency for the Brookfield 201 FPA as established in Section 208(c)(2)(A) through (I) of the Clean Water Act; and

WHEREAS, the Trumbull County Sanitary Engineering Department has determined wastewater from Brookfield Township as illustrated in the attached map, "*Brookfield: Proposed 201 Facility Planning Area Wastewater Treatment Changes*", cannot be transported to the Brookfield WWTP due to the existing grade of land creating cost prohibitive constraints; and

WHEREAS, the waste generated from the township will be transferred to the City of Sharon wastewater treatment facility in Pennsylvania through the Hermitage Municipal Authority's infrastructure; and

WHEREAS, the Trumbull County Sanitary Engineer Department and the Hermitage Municipal Authority drafted a sanitary service agreement reflecting the transfer and treatment of wastewater for west Brookfield township; and

WHEREAS, the Ohio Environmental Protection Agency (Ohio EPA) uses the AWQMP as the basis for the issuance of a Permit-To-Install (PTI) for new sanitary sewer lines and related infrastructure projects. The Ohio EPA will not approve a PTI if the application is inconsistent with Eastgate's approved AWQMP; and

WHEREAS, Eastgate provided the Technical Advisory Board (TAC) and Citizens Advisory Board (CAB) information pertaining to this resolution in accordance with the AWQMP's amendment procedures; and

NOW, THEREFORE, BE IT RESOLVED, that the General Policy Board of the Eastgate Regional Council of Governments, State of Ohio, hereby amends the AWQMP to accept the new Brookfield 201 FPA as illustrated on the attached map, "*Brookfield: Proposed 201 Facility Planning Area Wastewater Treatment Changes*".

Passed this 29th day of July, 2019.
