RE: UDS DOT RAISE Grant Application – LIVE Zone

Dear Mr. Buttigieg,

The Eastgate Regional Council of Governments (Eastgate) is pleased to submit this application for funding through the USDOT RAISE program for the Logistics Innovation and Vehicle Electrification (LIVE) Zone. The project has a total estimated cost of \$24,748,340 and we are requesting \$24,498,340 in RAISE grant funding. Eastgate will contribute a non-federal match of \$250,000 in project funding for this rural project.

We look forward to a favorable decision and thank you in advance for your consideration. Feel free to contact me direct if you have any questions.

Sincerely,
