RSVP* by Monday July 18th, 2022

to Stephanie Dyer

Sdyer@eastgatecog.org

234-254-1520

*A virtual option will be available. Attendee must indicate preference at time of reservation.

The 2022-2023 Program Year of the Clean Ohio Green Space Conservation Fund marks the 17th round for the program! This fund was established by Ohioans in 2001 to provide funding for land preservation, conservation easement establishment, and stream corridor and wetland restoration projects. Join Eastgate and the Ohio Public Works Commission for a webinar to learn more about the fund, updates for the program year, eligibility requirements and the local application process.
